General Statement of Professional Experience (written by firm)

Dana A. Libby, owner of Corner Post Land Surveying, Inc. was worked in the surveying field since 1979 and became licensed in 1988. Corner Post was established in 1990 and currently employs 8 people with plans to add 2 or more employees this spring. Corner Post has grown to become one of Southern Maine's premier land surveying and consulting firms. While boundary and topographic surveys are still a primary focus of the company, other services offered have expanded to include Subdivision design and approvals, Construction Latout, Large-Scale Municipal GIS/GPS mapping. Utilizing our Leica 1200 Series RTK GPS system with base station and rover, as well as, our Leica 1200 series RTK GPS "SmartRover" system, we place all projects on the Maine State Coordinate System.
